

Gain Real Office Work Training Here
at the International Renewable Energy Agency (IRENA)
with **GROWTH@IRENA**

What are you doing this summer?

...Would you like to experience working in an international organisation?

...The only international inter-governmental organisation headquartered in the Middle East?

For all of you motivated and inspired university students looking to gain valuable international work experience, here is your chance to meet, interact and work with experts and professionals at **the International Renewable Energy Agency (IRENA)** who strive to advance the renewable energy agenda on a global platform.

GROWTH@IRENA is a summer trainee programme that aims to provide undergraduate students with opportunities to learn and get practical experience in IRENA, an Inter-governmental Agency headquartered at Masdar City in Abu Dhabi, and to be part of the team.

If you are a student currently enrolled in an undergraduate programme in engineering, economics, development, international affairs, finance, business administration, communications or a related field, and are passionate about sustainability and renewable energy, then **GROWTH@IRENA** may be for you.

The Agency is receiving applications from **21 March 2019** until **18 April 2019**. The programme will run in **July and August 2019**, and selected students will be placed to perform duties relevant to their academic interests and/or field of study for a period of 4-8 weeks.

If you are interested, all you need to do is contact us through GROWTH@IRENA.org, and attach the following:

- » Your Curriculum Vitae, clearly stating your university, graduation year, major, languages spoken and written, and any relevant work experience.
- » A passport photo.
- » A copy of your national ID and valid passport (including of the visa page).
- » A 400-word letter of intent highlighting your motivation to work at IRENA, and the added value of your contribution to the mission of the Agency.
- » Any other documentation, which may add value to your submission.

Please note that only shortlisted candidates will be contacted for an interview by **19 May 2019**. Selected applicants will get the opportunity to be part of the IRENA team. We look forward to receiving your applications.

Don't wait, send your application to GROWTH@IRENA.org.
