IRENA Communications Performance (2018–2025)

This data reviews IRENA's communication and outreach performance from the 2018/2019 biennium to the present. The following infographics show the growth of IRENA's communication channels across four biennium budget cycles. Despite no increase in core budget, the Agency achieved resource-efficient growth, with a steady rise in reach and impact across all major platforms.

Growth from 2018 to 2025 (data until 1 October 2025)
