

Group Discussions

Gurbuz Gonul

Acting Director, Country Support and Partnerships

Purpose of break out groups

- Inclusive approach providing more opportunities for feedback
- In-depth discussions based on particular expertise of discussants
- Less formal environment allowing exchange of ideas
- Time efficiency

Expected outcomes

- Each group to
 - ✓ discuss and validate challenges hindering more accelerated deployment of renewables
 - ✓ generate preliminary recommendations to address the challenges identified
- Rapporteurs from each group will share highlights upon conclusion of break-out discussions
- Panel discussion on the outcomes on Day 2 of the workshop
- The outcome feeds into the first draft of RRA report
