

"Technical Assistance to formulate the "West Africa solar corridor program" and ac-companying prefeasibility study"

**Kick-off Workshop at ECREEE Head offices in Praia / Cabo Verde
(18th – 19th August 2016)**

Agenda

Day	Time	Topic	Speaker
18 th August	09:30 – 09:45	Welcome ceremony	ECREEE, EU
	09:45 – 10:15	Team introduction and agenda presentation	All participants
	10:15 – 10:45	Coffee break	
	10:45 – 11:15	Background-Corridor, regional policy and national action plans : <ul style="list-style-type: none"> • SE4All Action Agendas, National Renewable Energy Action Plans, Investment prospectus 	ECREEE (Elayo)
	11:15 – 12:15	Overview of ECREEE, WAPP and ERERA	ECREEE, WAPP, ERERA
	12:15 – 13:00	<ul style="list-style-type: none"> • The Africa Clean Energy Corridor: lessons learnt. • IRENA's planned support to WACEC 	IRENA (Safi and Tijana)
	13:00 – 14:30	Lunch break	
	14:30 – 15:30	Detailed presentation of the ToR, discussion, clarification and agreement	ECREEE (Nicola)
	15:30 – 16:00	Coffee break	
	16:00 – 17:30	Detailed presentation of the ToR, discussion, clarification and agreement (continuation)	ECREEE (Nicola)

Day	Time	Topic	Speaker
19 th August	09:00 – 10:00	Introduction to other initiatives going-on to be taken into consideration: <ul style="list-style-type: none"> • Pre-feasibility study of a Regional Solar Power Plant (150 MW) in Burkina Faso- WAPP (funded by EU and implemented by Tractebel) • GE-TOP Ghana Strategy Proposal, Realizing solar PV projects in a cross-border power supply context- UNEP • Elaboration of SE4ALL investment prospectuses • EU TAF study in Burkina Faso on on-grid solar • Senegal 200 MW solar auctions (with IFC support) 	WAPP, ECREEE (Nicola)
	10:00 – 10:45	Zoning: previous experiences from ECREEE and available GIS data	ECREEE (Dani)
	10:45 – 11:00	Coffee break	
	11:00 – 11:45	<ul style="list-style-type: none"> • Zoning: IRENA's methodology for renewable energy zones for the Africa Clean Energy Corridor • IRENA's on-going suitability analysis for solar and wind in the WACEC 	IRENA (Tijana)
	11:45 – 12:15	ECOWAS regional generation and transmission master plan	WAPP

	12:15 – 13:00	Regulation of regional cross-border trade of electricity in West Africa	ERERA
	13:00 – 14:30	Lunch break	
	14:00 – 15:30	Implementation methodology and work plan: presentation, discussion and agreement	EU TAF
	15:30 – 16:00	Coffee break	
	16:00 – 17:30	Implementation methodology and work plan: presentation, discussion and agreement (continuation)	EU TAF
	17:30	Closure of the meeting	

Participants:

- EU Delegation in Praia
- European Commission, DG International Development and Cooperation – EuropeAid
- ECREEE:
 - Mr Mahama Kappiah
 - Mr Nicola Bugatti
 - Mr Hyacinth Elayo
 - Mr Daniel Paco
 - Mr Mohamed Sokona
 - Mr Jansenio Delgado
 - Mr Sylla Elhadji
- IRENA:
 - Ms Safiatou Alzouma
 - Ms Tijana Radojicic
- EU SE4ALL TAF Consultants
- WAPP
- ERERA
